Congratulations to the NMCC Falcons for winning the “Duncan Cup” for the second year in a row. They won the championship game of the Presque Isle Gentlemen’s League on March 8.

Thank You...

To the many people who helped make the Junior Olympics, particularly those events hosted at NMCC, such a success... THANK YOU!! The closing ceremony held here in the gym was a huge project for a lot of people. Whether you provided assistance as part of your job or volunteered on your own time, we could not have hosted an event such as this without you! Thanks to the efforts of many, we held a fun, successful event for the approximately 800 athletes, coaches and community members in attendance. *Thank you!*

The Maine State Employees Association (MSEA) is holding a food drive for canned and other non-perishable food for Catholic Charities of Maine. A collection box has been placed in the Christie lobby. Students and employees are encouraged to donate items for this worthy cause. Food will be collected now through April 1.

Students in NMCC’s medical assisting program are raffling off handmade Afghan and a \$30 Marden’s gift certificate. See any medical assisting student for tickets; they are \$1 each or six for \$5.

Students Invited to Senate Meetings

The Student Senate meets each Tuesday, from 12:15-12:45 pm, in CHR 201. All students are invited to attend and have their opinion heard.

Players Sought for Co-Ed Volleyball Tournament to Support Maine Veterans

The NMCC Student Senate is looking for NMCC students and employees, as well as community members, to participate in their annual “Support Maine Veterans” volleyball tournament. This year’s tournament is scheduled for Saturday, April 24, beginning at 9:00 a.m. in the NMCC gym. All proceeds will benefit the Maine Veterans’ Home in Caribou.

If you or someone you know would like to participate, please get a team registration form and pledge sheets from Nikki in the IT office. All participants will receive a t-shirt. Teams will be competing in either the recreational bracket or the competitive bracket (for teams with one or more players who have competed on a volleyball team). Teams or groups donating \$100 but not playing will be listed as “honorary” teams supporting the effort.

If you need more information, you can contact any Senate member or advisor Dennis Albert at 768-2757.

Red Cross Emergency Training Sign Up

The Pine Tree Chapter of the Red Cross and the NMCC Student Senate are collaborating to hold an Emergency Training class this fall.

Their feeling is that to have a strong community, there needs to be people ready, able and trained to help in the event of an emergency. When natural disasters happen, or homes burn down, the Pine Tree Chapter of the Red Cross is there.

NMCC’s former vice president, Dr. Alan Punches, had a vision of reaching out and making a difference in this area. The Student Senate has picked up the cause and wants to fulfil that dream.

Those who are interested are encouraged to sign up. Times have not yet been determined... they are hoping for feedback from prospective participants to help set an ideal time. This class is open to students and employees. Please sign up in the IT office.

Questions can be directed to Joyce Knorr, branch manager of the Pine Tree Chapter, at knorrj@pinetree.redcross.org or 493-4620 ext. 108.
