Issue #23

### Campus Ice Cream Social Wednesday

To kick off National Community College Month activities, a free Ice Cream Social will be held on Wednesday, April 7 at 2:00 p.m. in the Lobby of the Christie Building. All students, faculty, staff and community members are encouraged to stop by and enjoy a sundae featuring Houlton Farms Dairy Ice Cream and a choice of toppings.

### County Photo Exhibits on Display

Photography exhibits featuring beautifully captured Aroostook County landscapes and northern Maine flora and fauna are on display in the halls and library of campus through the month of April.

The exhibits, which capture the essence of The County through the lenses of two talented area photographers, were coordinated to reflect this year's Community College Month theme "Celebrating the County Community" which extends through April.

The Edmunds Library is displaying more than two dozen photographs taken by Dianne Leighton of Limestone. The collection includes vibrant color photos of wildflowers and wildlife taken throughout the region in recent years.

The corridors of the Edmunds, Christie and Martin buildings feature two dozen County landscape photos taken by Presque Isle photographer Paul Cyr.

Twenty of the photos measure four and a half feet by 40 inches and an additional four 24 by 18 inch photographs hang in the hallways. The photos, which were selected by the coordinators of the cultural and hosting events for the recent 2010 USSA Junior Olympics in Presque Isle were printed locally with Cyr's permission to enhance the "Maine Event" theme that was incorporated into the events. The better-than-poster-size photos were used for the closing ceremonies held in the NMCC gymnasium.
