Want to keep up with what's happening?

The residential life staff maintains three locations where students can find out details of what is happening both on-campus and in the surrounding community.

MyNMCC Portal

The Campus Life tab of the MyNMCC portal contains an event calendar, announcements regarding upcoming campus and local activities, downloadable files (when pertinent), as well as local area links of things to do.

Facebook

The NMCC in the Loop Facebook group features an event list, photographs of residential life activities, and links to events hosted by other local organizations that are open to students.

Bulletin Board

The res life staff maintain a bulletin board in the lobby of Andrews Hall that features a month long events calendar, flyers of upcoming events, and other detailed information on upcoming events.

Other Resources

In addition to these resources maintained by residential life staff, there are, of course, other bulletin boards around campus on which flyers are posted. This *Weekly Bulletin* publication is also a good resource for upcoming activities.

Students are encouraged to make an effort to stay informed about campus happenings. Get involved. It's a great chance to build friendships and have some fun with your peers.

Students Travel to Mt. Katahdin

The res life staff held their annual Mt. Katahdin Adventure Trip on September 30 - October 2. Eleven students, along with resident director Elizabeth Pelkey, spent the weekend at Twin Pines Cabins and Baxter State Park. The students who attended were able to hang out, get to know each other better and enjoy a wonderful weekend. Nine braved the rainy, windy, cold weather to hike to the top of the mountain, while three hiked to Chimney Pond and back.

ABOVE: Making the climb to the top were, kneeling from left, Anders Rinne and Mark Almon, as well as, standing from left, Janelle Nickerson, Stephanie Nadeau, Nathan Woods, Jessica Tyler, Patricia White, Nicholas Welch and Nathan John.

PrISM Service Trip Planned

Members of campus are invited to take part in a service trip being planned by Presque Isle Student Ministries on November 11 - 13. The group will depart from the UMPI Campus Center at noon on Friday and return on Sunday afternoon. They will be traveling to Augusta to help the Salvation Army. For more details or to sign up, contact Rev. Jim Morgan at 227-8207.

Photos Sought for Display

The library is doing a display for Veterans' Day and would like to feature photos of veterans from the NMCC family. Students and employees are encouraged to bring a photo of themselves or their relative in uniform to the library, and they will scan it in so that the original can be returned. This is a great way to put a personal face on this time of honoring our veterans.

Craft Fair Planned

The library is planning their annual Craft Fair for Thursday, December 1, from 12:00-1:00 p.m. in the Edmunds Conference Center. Any student or employee who would like to take part in the fair should contact Gail Roy in the library.

Donations Sought

With the economy the way it is, the Sister Mary O'Donnell Homeless Shelter is serving more people than ever and is in great need of supplies. Personal toiletry items are particularly needed, but a list of all needed items is available in the library. Donations can be dropped off in the library.

Newsletter Items...

Do you have items that you would like printed in the *Weekly Bulletin*? If so, submit your information to the development office by calling 768-2809, e-mailing info@nmcc.edu or stopping by the office, just off of the lobby of the Christie Building. **The deadline is Friday by 10 a.m.**
