PRESS ADVISORY

Senior Makeover Day to help NMCC students prepare for the job market

Aroostook County - Northern Maine Community College will be holding a “Senior Makeover Day” on Thursday, March 1, from 1:00 to 4:00 p.m. in the Edmunds Conference Center. Senior Makeover Day was started two years ago to help students prepare for the NMCC Job Fair that will be held on March 8 this year.

Senior Makeover Day is intended to help students prepare for the job search process. They will have the opportunity to ‘shop’ for professional clothing, generously donated by employees at the College. Haircuts and manicures (new this year) will also be provided to students at no cost.

In addition, a career counselor from the Presque Isle Career Center will be on hand to rehearse interviews and to offer resume advice.

Coordinators of the event hope to assist approximately 100 students in readying themselves for the job market.
