Job Fair Thanks...

I would like to take just a minute to give heart felt thanks to all those that helped make NMCC's 15th Annual Community Job Fair another huge success!

Courtney and I couldn't have done it without everyone's help. From everyone helping in it's promotion, set up, the day of the job fair, (it still amazes me, what takes four hours to set up it takes less than 1/2 hour to breakdown with the many hands that volunteer). NMCC students and staff welcomed not only all the businesses but also all the community members that visited the campus.

Some quick comments that were on the businesses evaluations: "It is always a pleasure to come here every year", "Excellent turn out-good mix of students and general public", "Professional staff and volunteers. Lots of helping hands", "Volunteers were excellent!".

THANK YOU TO ALL!

I would like to thank students for realizing the importance of the event and for politely tolerating the additional vehicles on campus. Early numbers indicates a little over 460 people signed in, 60% students and 40% community members. So, yes the campus was full!

Thanks again everyone...
