Teams Sought for Volleyball Tournament

Members of the Student Senate are looking for teams to take part in their annual "Support Maine Veterans" Volleyball Tournament on Saturday, April 21, beginning at 9:00 a.m. in the college gymnasium. The tournament is held each year to raise money for the Maine Veterans' Home in Caribou.

The group is welcoming teams of NMCC students and employees, as well as ones from local businesses, organizations and community members who want to join in. All players will receive a tournament t-shirt.

Each team of six to eight players is asked to raise at least \$100 to enter the tournament. Teams with one or more players who have competed on a volleyball team will play in a competitive bracket, while those who are playing just for fun will participate in a recreational bracket. There will be a double elimination if only a few teams show up for the tournament, but if several teams do, there will be a single elimination. Teams are encouraged to sign up before April 21, but it is not required.

"This an excellent opportunity to team up with a few friends and help support the Maine Veterans Home activity fund in Caribou. We encourage everyone to come out, have a good time and raise money for a great cause," said Dennis Albert, Student Senate advisor.

Anyone interested in forming a team should contact Dennis Albert at 768-2757. Registration forms and pledge sheets can be picked up at the IT office.

A Dozen Teams Compete in Wii Tournament

The Wii Tournament held on campus on March 14 was an "Incredibowl" success. More than 50 students, faculty, and staff were on hand for the event.

Twelve teams of four competed, with all eventually being defeated by Wii B Wild Bananas! Congratulations to team members Stephanie Nadeau, Simon Tutlis, Jessica Tyler, and Nate Woods.

Connect-to-Complete, sponsors of the activity, would like to thank

everyone who participated in or were spectators at the event. A special thanks goes out to Shawn Lahey for taking care of all the logistics of the night, Aramark services for catering beverages and snacks, and Laura McPherson for all her assistance in hosting the event.

With the great success of this tournament, the group can hardly wait to host another Wii Tournament in April. The event raised \$62 for the Connect-to-Complete Scholarship.

The winning team for the Wii Incredibowl Tournament was the Wii B Wild Bananas, comprised of residential life students (from left) Nate Woods, Stephanie Nadeau, Jessica Tyler, and Simon Tutlis.
