

# Summer Courses 2012

Are you a current NMCC student who wants to lighten the load for next semester's classes? Or a student home for the summer who may want to take a more affordable class now and transfer it? Or maybe even a high school student who wants to get a start on college?

**Then be sure to check out NMCC's summer course offerings. With both day and evening options and varied start and end dates, this could be a your opportunity!**
