Weekly Bulletin

Welcome...

We welcome all new and returning students and faculty to campus! It has been an incredibly busy summer, with lots of exciting things taking place. Look for more news on these activities in the quarterly newsletter, which should be out on campus in the coming weeks.

For those who are new to campus, let us introduce you to our Weekly Bulletin. It comes out each Monday during the semester, other than during the week of breaks. It includes campus activities and the lunch menu for the week, as well as various other brief updates.

Additionally, a multiple-page newsletter is distributed quarterly around campus. This publication covers stories in more depth, including College, Foundation and Alumni & Friends news.

Both the weekly bulletin and quarterly newsletter will be distributed in various spots around campus, including: the Christie lobby, outside of the bookstore, the Mailman Building, the library and the nursing wing. They are also distributed via mailboxes to employees and resident students.

Anyone who would like to submit information for either publication should see Karen in the development office (just off the Christie lobby by the information window) or e-mail info@nmcc.edu.

Again, welcome everyone! Have a great semester. And be sure to mark September 6 & 7 on your calendar. We have lots of fun events going on for Homecoming.

Molly the Trolley Tours NMCC

As employees prepared for the start of the semester last week, they had a chance to have a tour of campus and the industrial park on Molly the Trolley while getting a brief history lesson on the Presque Isle Air Base that was formerly housed here. Special thanks to NMCC's commercial driving instructor Dennis Dyer for driving the trolley.
