Student Activities Card

Current NMCC students are able to enjoy free admittance to the indoor pool in Presque Isle, as well as to the Forum during skating season courtesy of the Student Senate. They also benefit from discounted rates at Big Rock ski area in Mars Hill.

To take advantage of these savings, NMCC students should stop by the information window in the Christie lobby to pick up a student activity card. Students must present their NMCC student ID when they come.

This student activity card and the student's NMCC ID card must be presented at the time the student wants to use the free or discounted service (i.e. go swimming, skating or skiing).

Questions can be directed to Dennis Albert, Student Senate advisor.

Students from NMCC's early education program and from UMPI's education program joined forces to staff a table at NMCC on October 24 for World Polio Day. It was part of a greater effort organized by UMPI and Presque Isle's Rotary Club. Groups painted people's pinkies purple at NMCC, UMPI, TAMC and the Aroostook Center Mall to raise money for polio vaccines. More than \$1,250 was raised during the day long events across the community.

Congratulations to students (from left) Matt Trombley, LeAnna Kimball and Sandy Whitmore. Each won a \$20 gift certificate from Walmart during the Student Senate's Halloween Costume Contest on Friday, October 26.

Halloween Fun

The Student Senate hosted their annual Harvest Party for the children of students and employees on Friday, October 26.

Egyptian mummy expert Su Wolfe spoke on campus on Friday night. The presentation was sponsored by the Haystack Historical Society. A number of campus and community members were on hand to learn more, including how mummy wrappings were used by some Maine paper makers.
