Board of Trustees, CC Presidents to Visit

The presidents of each of Maine's community colleges, along with President John Fitzsimmons and other staff members from the Maine Community College System office, will be on campus on Tuesday afternoon and Wednesday for meetings. Members of the MCCA Board of Trustees will be on campus on Wednesday for workshops and their board meeting.

Members of the campus community who are interested are invited to attend the MCCA board meeting at 1:20 p.m. in the Edmunds Conference Center.

Please welcome our visitors to campus. Employees are reminded to wear their name tags on these days.

Children's Holiday Party

The Student Senate will be sponsoring their annual Holiday for the children of students and employees on Friday, December 7, from 6:30-8:00 p.m. in the Edmunds Conference Center.

The party is intended for children ages 12 and under (accompanied by an adult). There will be lots of fun and games for all, including a special appearance by Santa.

To make sure that Santa has enough presents for everyone, you **MUST** sign up your child(ren) ahead of time. Please register your child(ren) in the IT office now through Monday, December 3.

Volunteers Needed for NMCC Book Giveaway

Help us give the gift of reading to local children during this year's Holiday Light Parade!

NMCC will once again have a float in this year's Presque Isle Holiday Light Parade on Saturday, December 1. The parade begins at 7:00 p.m., traveling down Main Street from North Street to UMPI.

We are looking for employees, students and their families to walk alongside the float handing out books to children. Volunteers should come to the North Street Plaza between 6:00 - 6:30 p.m.

If you have questions, stop by the development office, located just off the Christie lobby, or call 768-2809.

We need lots of volunteers to hand out books, so please join us! This event is always a lot of fun and is very rewarding!

Please note, the development office is still accepting book donations for this effort through Thursday, November 29. Please drop off any new or gently-used books at the information window in the lobby.

Campus Members Give Up Shaving to Raise Funds

Several male members of the NMCC campus community have been taking part in 'No Shave' November in order to raise money for the Red Cross for relief efforts from areas impacted by Hurricane Sandy.

The following employees may have been looking a little scruffy this month, but it's for a worthy cause. There are a few students taking part in the cause as well. Donations can be made through the rest of the week.

Student Activities Card

Current NMCC students are able to enjoy free admittance to the indoor pool in Presque Isle, as well as to the Forum during skating season courtesy of the Student Senate. They also benefit from discounted rates at Big Rock ski area in Mars Hill.

To take advantage of these savings, NMCC students should stop by the information window in the Christie lobby to pick up a student activity card. Students must present their NMCC student ID when they come.

This student activity card and the student's NMCC ID card must be presented at the time the student wants to use the free or discounted service (i.e. go swimming, skating or skiing).

Questions can be directed to Dennis Albert, Student Senate advisor.
