NMCC Releases Fall 2012 Dean's List

Aroostook County - Northern Maine Community College has released its Dean's List for the College's 2012 fall semester. Two hundred twelve full-time students achieved a 3.20 average or better; sixty-four of these students were named to high honors with a grade point average of 3.85 or better. Thirty-three students had the distinction of earning a perfect 4.0 grade point average.

"Once again, we are pleased to publically acknowledge the hard work and dedication of many NMCC students," said Dr. William Egeler, dean of students. "Students achieving this academic honor recognize the value of higher education to their future and to the lives of their families. Their sacrifices and hard work are reflected in this recognition and we hope all who know them take the time to acknowledge their achievement."

Northern Maine Community College's main campus is located in Presque Isle, with off-campus centers in Houlton and the St. John Valley. The College offers 29 associate degree and certificate level programs, preparing students to either enter the workforce immediately upon graduation or to transfer to a four year college or university to complete a baccalaureate program. It is one of seven colleges in the Maine Community College System.
