**Attention Electricians:
2014 NEC Code Update Course to be offered at NMCC**

The Continuing Education Division at Northern Maine Community College will offer a 2014 National Electrical Code Update course on December 6 & 7 from 8:00am – 4:30pm both days. This 15-hour course will:

- cover the significant changes in the latest edition of the National Electrical Code, w
- will update members of the electrical industry on code requirements, code tables and calculations and
- will provide the necessary 15 hours of continuing education required for license renewal in the State of Maine.

Participants must bring a copy of the 2014 codebook, calculator and notebook. The cost of the course is \$129.

For more information or to register, or to receive information about other upcoming courses, please call the College's Continuing Education Division at 768-2849.
