NMCC Dean's List Released

Aroostook County— Northern Maine Community College has released its Dean's List for the College's 2014 spring semester. Two hundred and seven full-time students achieved a 3.20 average or better; 75 of these students were named to high honors with a grade point average of 3.85 or better. Thirty-seven students had the distinction of earning a perfect 4.0 grade point average.

Also, 35 part-time students who earned at least 12 credits during the 2013-2014 academic year with a grade point average of 3.2 or better earned a place on the Dean's List. These students often juggle work, family life and a hefty college load to finish their degree.

"Once again, we are proud to publically recognize the commitment of NMCC's very hard-working students," said Dr. William Egeler, dean of students. "Students achieving this academic honor understand the value of higher education to their future and to the lives of their families. Their sacrifices are reflected in this achievement and we hope all who know them take the time to acknowledge their success."

942 full and part-time students attended Northern Maine Community College during the spring semester. The main campus of NMCC is located in Presque Isle. The College offers 29 associate degree and certificate level programs, preparing students to either enter the workforce immediately upon graduation or to transfer to a four-year college or university. It is one of seven colleges in the Maine Community College System.
