

### College Receives EMS Grant

The dream of establishing a resource center on the Northern Maine Community College campus for area medical and emergency care professionals in Aroostook County who treat pediatric patients is a step closer to reality thanks to a \$12,684 grant from the Emergency Medical Services for Children State Partnership – a division of the Maine Department of Public Safety. The funding to purchase equipment for a local pediatric repository, to improve curriculum through public education, and for regional continuing education in pediatric topics was awarded to NMCC to help meet a need expressed by area hospitals and emergency medical service organizations. Above, Daryl Boucher, nursing instructor/EMS coordinator at NMCC, shows some of the equipment purchased through the grant to students Jordan Baker and Tina Saucier. See complete story in the April newsletter.

What's Happening on Campus...

Welcome!

Representatives from the National Institute for Metalworking Skills (NIMS) will be visiting campus this week to evaluate the Precision Metals Manufacturing program for NIMS accreditation. The team will be lead by Martin Arsenault. If you see members of the team please be sure to extend them a warm NMCC welcome!

 Hot Vegetable/Coleslaw  
 Assorted Desserts

## Thank You...

*A heartfelt "thank you" goes out to everyone who helped make Senior Make Over Day 2007 a huge success -- to the maintenance staff for their assistance with setup and breakdown; to the student affairs staff that baked goodies, ironed clothes and gave some great fashion advice; to the business department and students who served as "walking mannequins"; to the faculty that sent students to the event and those who gave incentives for participation; to the development office for their assistance with publicity and Jason's fashion advice; and a special thank you to Chris "the tie guy" Nelson. We witnessed some extreme make overs, and are confident that NMCC students will make a great impression in the Job Market!*

*- Shelli Cronkhite & the Senior Make Over Day Committee*

## Cancer Fundraiser

A group of employees joins together each year to help raise money in the fight against cancer by taking part in the American Cancer Society's Relay for Life. Not only do they volunteer their time by walking during this event, but each team member must also raise at least \$100 in pledges.

This year, the the team wants to do even more. While they will still raise money individually, they also hope to do a team fundraiser. The team plans to sponsor a silent auction in April involving different themed baskets, such as a chocolate lover's basket, a scrap booking basket, movie basket, craft basket, stress relief basket, flower/gardening basket, and a Nascar basket.

While team members plan to donate the majority of items for the baskets, campus support would be greatly appreciated. Items for the baskets can be dropped off in the bookstore or the library by March 30. Don't have items to donate? Then be sure to bid on the baskets once they are on display!

Questions can be e-mailed to team captains Becky Maynard or Lori Keith in the bookstore.

## Student Gatherings...

- The **LITERARY ARTS CLUB** will meet Monday, March 19, at noon in the Christie lecture hall. Students and employees are welcome. Come and read or just listen as others read works they have written or works by their favorite authors.
- The **STUDENT SENATE** meets every Thursday from 12:15-1:00 pm in the Christie lecture hall. All students are invited.
- **ALPHA BETA GAMMA** meets Thursdays from 11:50 am - 12:30 pm in Martin 213.
- **PHI THETA KAPPA** meets Fridays from 12:15-1:00 pm in the Christie lecture hall.
- All students are invited to take part in **STUDY GROUP SESSIONS** on Tuesdays, from 2:30-4:30 pm, and on Wednesdays, from 5-8 pm in the Snow Hall meeting room. Please bring your student ID.
- Students are invited to **MOVIE NIGHT** on Wednesdays at 9 pm in the Edmunds Conference Center. There are weekly drawings for a free movie pass and once a month there is a drawing to win a DVD. Refreshments provided; **free for all students!**

## Scholarship Opportunities...

### Marine Corps Scholarship Foundation Scholarships

Criteria: Son/daughter of a Marine on active duty or in the Reserve, retired or deceased OR the son/daughter of a Marine or Marine Reservist who has received an honorable discharge, medical discharge, or who was killed while in the service of our country

Evidence of academic/professional motivation as reflected in two letters of recommendation

*The number and amount of grants awarded vary annually. Awards are made to students who have strength of character and educational potential, but may lack a traditional route, traditional test scores or high grade point averages.*

## Signs...

Just a friendly reminder for students and employees who are posting various flyers and posters around campus...please DO NOT tape these items on the walls. The tape damages the paint on the walls, often-times coming off when the signs are taken down.

## Newsletter Items...

Do you have items that you would like printed in the Weekly Bulletin? If so, please submit your information to the development office, by calling 768-2809, e-mailing [info@nmcc.edu](mailto:info@nmcc.edu) or stopping by the office, just off of the lobby of the Christie Building. The weekly deadline is Thursday by 10 a.m.
