

# The Surfacing of a New Commercial Tile

Now, you can order Armstrong VCT and BBT with Diamond 10® Technology coating, keeping your tile floors looking newer longer at a lower maintenance cost than traditional VCT. Save up to 40% on polish maintenance procedures, compared to traditional VCT.

Patent-pending Diamond 10 Technology provides a protective coating, improving resistance to scratches, stains and scuffs. It enables you to use less floor polish to maintain your floor, reducing cost of ownership significantly over the life of your floor.

## Reduced Cost of Ownership

Maintain your floors for less money than traditional VCT with floor polish maintenance procedures.

- Reduce initial application of floor polish by 50%.
- Reduce or eliminate restorative stripping.

## Beautiful Floors, Minimal Prep

Maximize gloss level with 50% fewer coats of polish and create a more uniform overall appearance with as little as three coats of high-quality commercial floor polish. and create a more uniform overall appearance with as little as three coats of a high-quality commercial floor polish.

## SUPERIOR SCRATCH, STAIN AND SCUFF RESISTANCE

VCT with Diamond 10® Technology coating delivers best-in-category scratch, stain and scuff resistance with reduced cost of polish maintenance over the life of the floor.

### SCRATCH RESISTANCE

Each product was scratched using an abrasive pad under a 12.5 lb. load for 20 passes, simulating commercial traffic.

VCT with Diamond 10® Technology coating

Competitive Vinyl Enhanced Tile

VCT with 6 coats of polish

Competitive Base-Grade LVT positioned to replace VCT

### COMMERCIAL STAINS AND SCUFF

After scratching, samples were stained, wiped with a dry paper towel, and then an alcohol wipe. The samples were also scuffed with a rubber heel and wiped with a dry cloth.

# Let Your Imagination Flow

Raffia Stream with Diamond 10® Technology coating brings together VCT featuring visuals with streaming accents, flowing over a rich contrasted base - all protected by a coating with improved resistance to scratches, stains, and scuffs.

## Step Boldly or Tread Lightly

A color palette that includes rich bold hues and tranquil neutral tones enable your designs to conjure a sense of fluidity within a space – or striking interior with bold pops of color! As part of Continuum™ Solutions, Raffia Stream works seamlessly with other Armstrong Commercial Flooring products to create beautiful, coordinated spaces, allowing you to choose the right flooring structure for the space you are designing without compromising your vision. Larger format, 12 in. x 24 in. VCT tiles enable more design possibilities.

### Diamond 10® Technology Coating— cultured diamond-infused coating

- Provides a protective coating, improving resistance to scratches, stains and scuffs.

### Through-Color/Pattern Wear Layer\*

- Pattern/color wear performance:
  - High durability
  - Gouge resistance
  - Rolling load impact resistance
  - Appearance retention
