

### Children's Area Unveiled in Library

NMCC early childhood education student Suqi Yu (left) of Presque Isle and instructor Heidi Broad-Smith (center) are assisted by a child from Little Feathers headstart and one from ACAP childcare in cutting the ribbon for the official opening of the new children's section of the NMCC library at a recent ceremony. Looking on are Peggy O'Kane (back, left) NMCC assistant dean of learning resources and Richard Engels (right) chair of the Maine Community Foundation Aroostook County Committee, which provided a grant of \$1,045 to purchase furnishings and shelving for the section. Approximately 40 children from ACAP and Little Feathers, along with numerous campus and community members, were on hand to celebrate the occasion.

*To our graduating seniors...we wish you the best of luck as you go on to enter your career field or to continue your education. Please remember to keep the College's alumni office informed of address changes and milestone that you would like to share in upcoming alumni publications.*

*To our remaining students and our faculty...have a wonderful and safe summer. We look forward to seeing you again in the fall, recharged and ready for another year.*

## Student Senate Raises Funds for Maine Veterans Home

Congratulations to the NMCC welding & metal fabrication team (above) for winning the competitive league in the Maine Veterans Home volleyball tournament sponsored by the Student Senate in April. Congratulations as well to the Maine Veterans Home team (right), for winning the recreational league in the tournament. A total of \$1,000 was raised to support local veterans. Special thanks to President Crowley for sponsoring the NMCC team, as well as all the other kind sponsors from the NMCC community and the local area.

## Thank You...

*ABG would like to sincerely thank everyone who participated in and made Alpha Beta Gamma's Easter Egg fundraiser incredibly successful. The money raised will help to pay for future field trips and ABG functions. Donations provided by Noye's Flower and Gift Shop, Ben's Trading Post, Nancy Cowett, Dan Hotham, Pam Crawford, Dave Raymond, the NMCC Bookstore and the NMCC Management Team were critical to the success of the fundraiser, and we would like to thank them as well. The members of Alpha Beta Gamma would also like to congratulate Ruth White, the winner of the three credit NMCC course, along with all of the other winners.*

## Book of Poems Fundraiser

Members of Phi Theta Kappa are selling a book of poems by NMCC's own Colleen Harmon in order to raise money for the Paul Belanger Cancer Fund. The books, which are \$5 each, are available in the NMCC bookstore, from Colleen in the Learning Center, or from Debbie in the library.

The Student Senate recently presented a check for \$1,000 to the Maine Veterans Home in Caribou, to support their Activiy Fund. The money was raised by the Senate's annual volleyball tournament in April, from the teams that played, as well as both donations from local clubs and private donations. On hand for the check presentation were, front from left: Senate officers Nicole Hopkins, vice president; Tammy Deschesne, secretary; Nichole Engstrom, treasurer; Michael Black, president; and, receiving the check, Heidi Brooette and Steve Saucier from Maine Veterans Home in Caribou; back, from left: Senate advisor Dennis Albert and Senate members, John Preston, Ian Simpson and Chris Fosdick.
