NMCC Releases Spring 2007 Dean's List

Aroostook County - NMCC Dean of Students William G. Egeler III has announced the Dean's List for Northern Maine Community College's 2007 spring semester. One hundred fifty-three full-time students achieved a 3.20 average or better; thirty-nine of these students were named to high honors with a grade point average of 3.85 or better. Sixteen students had the distinction of earning a perfect 4.0 grade point average.

"Not only have these students succeeded academically, but it never ceases to amaze me the challenges that many of them have overcome in their personal lives and how well they have done," said Dean Egeler. He noted that many students deal with a variety of issues that can hamper success, such as financial concerns, long commutes for classes, family commitments, and/or jobs in which they are working too many hours. "Kudos to all of the students who were named to the Dean's List, particularly those who overcame great obstacles to do so."

Northern Maine Community College's main campus is located in Presque Isle, with off-campus centers in Houlton, Caribou and the St. John Valley. The College offers 28 associate degree, diploma and certificate level programs, preparing students to either enter the workforce immediately upon graduation or to transfer to a four year college or university to complete a baccalaureate program. It is one of seven colleges in the Maine Community College System.
