ECE Student Organization...

Work is underway to get the ECE Student Organization, newly formed last spring, up and running for this year. The group, made up of early childhood education students, had their first meeting on September 4, with 14 students expressing an interest in joining.

The goal of the ECE student group is to support the local site placements, to provide outreach to the community, and to have some fun together. Interested students may contact advisor Heidi Broad-Smith at 768-2736 or see students Christy Prosser, Grace Yu, Kaylyn Hewitt or Charity Keenan for more information.

Students Invited to Senate Meetings

The Student Senate will meet each Tuesday, from 12:15-12:45 pm, in the Christie lecture hall. All students are invited to attend and have their opinion heard. The Senate is also still looking for members to represent their respective programs.

Open Gym...

All students are invited to take part in Open Gym on Tuesday and Thursday evenings, from 7:00-9:00 p.m., throughout the semester. Have fun with some of your classmates playing volleyball, basketball or dodgeball.

Students are invited to come to the Edmunds Conference Center every Wednesday night at 7:00 p.m. to watch a newly released movie. Refreshments are provided. **Free for all students!** For more information, contact Jessica Miller at 760-1184 or jmiller@nmcc.edu.

Community News

Women, Work and Community is offering a free six-week **Financing Your Future** workshop series at their center located in Aroostook Hall here on the NMCC campus. It will be held on Monday evenings, October 15 through November 26, from 5:30 p.m. to 8:00 p.m. Hands-on activities guide participants in becoming more comfortable and confident with money.

The series will explore attitudes and beliefs about money. Participants look at their current financial situation while learning ways to manage spending, increase income, and make wise use of credit. Financing Your Future explores money management tools and budgeting ideas to help participants meet their personal financial goals. Pre-registration for this free series is required.

To register or for more information, contact the Presque Isle Women, Work, and Community Center at 764-0050.

Maine Quality Centers Projects to be Announced

Officials with NMCC and the Maine Quality Centers program will enter into separate training partnership agreements with two central Aroostook businesses at a press conference and signing ceremony in the Edmunds conference center at NMCC on Tuesday, September 18, at 2:00 p.m.

The memoranda of understanding with the Presque Isle-based BurrellesLuce facility and the Pattison Sign Group operations at the Loring Commerce Center will forge partnerships between each company and NMCC, whereby the continuing education division of the College will develop training for company employees in various areas identified as critical to each. The projects, made possible through the Maine Quality Centers, an economic development initiative of the Maine Community College System, will provide the training at no cost to both BurrellesLuce and the Pattison Sign Group. *Look for the full story in our October newsletter.*

NMCC Falcons Defeat UMPI

Congratulations to the soccer team for their 1-0 victory over UMPI on Tuesday, September 11. It was a rain soaked battle and a well deserved victory! The winning goal was scored by Mitchell Panati.

The Falcons will be on the road this weekend, traveling to play Unity College on Saturday and New Hampshire Technical Institute on Sunday. Their next "home" game will be on Sunday, September 23, at 1:00 p.m.; however, they will be playing at the Gehrig Johnson Athletic Complex on Skyway Drive, not at NMCC.
