

Torch Relay to be Held

Employees and students are invited to join in a ceremony and rally in the courtyard area just outside the Christie Complex on Monday, November 5, at 10 a.m. During the event, a torch that will be used on Election Night to light a "bond" fire and celebrate regional awareness efforts by the County's college and universities about bond questions 2 and 3 will be ceremonially lit and relayed across the Star City.

Escorted by emergency response vehicles from the Presque Isle Police Department and Presque Isle Fire Department, NMCC representatives will carry the torch to the corner of State and Main Streets in the downtown. At that point, President Crowley – who will serve as the final NMCC torchbearer – will hand it over to UMPI President Don Zillman, who will lead off the University section of the relay. University students and personnel will guide the torch to campus, and place it in a stand near the Gentile Hall parking area – the site of the "bond" fire that will be held at UMPI on Election Night.

The "bond" fire will begin at 8 p.m. on Tuesday, Nov. 6, in the open area behind Gentile Hall.

Bev Clayton, human resources assistant at Columbia Forest Products, was a guest speaker in Pam Crawford's two Introduction to Business classes on Wednesday, October 24.

Harvest Basket Raffle

Students in the early childhood education program are selling raffle tickets for a Harvest Basket full of goodies, including a board game, kids board books, two kites, microwaveable popcorn, soda, and candy.

The basket is currently on display in the Christie lobby. Tickets, which are .50 cents each or 3 for \$1, are available at the information window in the lobby, from instructor Heidi Broad-Smith, or from ECE students.

The winning ticket will be drawn on the Friday, November 9, with proceeds going to the Ronald McDonald House Children's Charities in support of World Children's Day.

Please Help Us Get the Word Out...

We need your help to get the word out about the importance of a "yes" vote on Bond questions 2 and 3 on the November 6 Ballot. Passage of Question 3 would mean \$758,000 for NMCC to improve heating and ventilation systems in the Mailman Building and to purchase needed classroom technology for the Christie Complex. Question 2 is the Research and Development bond package that could translate into jobs for some of our graduates as technicians in the future.

We have lawn signs in the Development Office - just off of the Christie lobby - that we need help getting out and about throughout the local communities. If you can help by taking one or ten and placing them in areas where they will be seen by motorists and others - it would be greatly appreciated. Stop by anytime between 8:00 a.m. and 5:00 p.m. Monday through Friday to get signs.

The only thing we ask is that you take down the signs you put up within seven days after the election.

Movie Night

Students are invited to come to the Edmunds Conference Center every Wednesday night at 7:00 p.m. to watch a newly released movie. Refreshments are provided. **Free for all students!** This week's movie will be *Transformers*, and the movie will be raffled off to a lucky movie goer at the end of the evening.

Students Invited to Senate Meetings

The Student Senate will meet each Tuesday, from 12:15-12:45 pm, in the Christie lecture hall. All students are invited to attend and have their opinion heard. The Senate is also still looking for members to represent their respective programs.

Newsletter Items...

Do you have items that you would like printed in the *Weekly Bulletin*? If so, please submit your information to the development office by calling 768-2809, e-mailing info@nmcc.edu or stopping by the office, just off of the lobby of the Christie Building. **The weekly deadline is Thursday by 10 a.m.**
