

College to Host Blood Drive

Just a reminder...*an American Red Cross Blood Drive is being held on campus on Wednesday, October 18, from 9 am to 3 pm in the gym.* Students, employees and community members are urged to stop in and donate blood.

This event is being sponsored by the residential life department and the Student Senate.

Literary Arts Club to Begin on Campus

There is an interest in forming a Literary Arts Club on campus. The club will meet at noon, once every other week, on an informal basis. Students may read their own work or a work by a favorite writer, or they may simply come to listen. This is not a critique group; the group will meet to read works with others who enjoy the written word. Occasionally, area writers will come to share published pieces.

Anyone who is interested in joining such a club should contact instructor John Corrigan by calling 768-2890, e-mailing jcorrigan@nmcc.edu, or stopping by his office on the first floor of the Christie Building.

NMCC Students Help in Disaster Drill

Several NMCC students helped at the city-wide disaster exercise held a couple of weeks ago. An airplane crash was simulated at the Presque Isle Regional Airport. Students from both the nursing and emergency medical services programs were able to play the role of distraught family members and victims, experiencing first hand what it might be like in a real disaster. This exercise tested the capabilities of airline personnel as well as local emergency response personnel.

Students participating in the drill were: Christopher Desjardins, Katie McNally, Derek Cassista, Jordan Baker, Ian Hyslop, Brady Henderson, Amy Jackson, Kaitlyn Bossie, and Libby Gardner. This was a nice contribution of volunteers from NMCC, once again supporting community projects. Special thanks to all!

Students Defeat Employees in Softball Game

The annual student/employee softball game was held on September 21. The game was very well attended, with lots of fun had by all.

During the first inning, the score was tied 3 to 3. The students broke the game open with a seven run third inning blast. In the top of the sixth inning, the employees scored five runs to help close the gap, but the students came back to score five runs of their own in the bottom of the sixth inning...closing the door on the employee's comeback. The game was called after the seventh inning due to lack of light. The students won the game with a final score of 16 to 9.

Students playing were: Kevin Ledger, Matt Hanning, Andy Jackson, Shawn Lay, Tom Merrill, Dan Ford, Mike Tenney, Curtis Harrison, Matt Tribou, Jake Green, Mike Crawford, and Michael Black.

Employees taking part were: Diana Doody, Tom Richard, John Corrigan, Becky Maynard, Lori Keith, Ryan Bush-ey, Dennis Dyer, Bernard McManus, Jesse Beaulieu, Andrea Alley, Guy Jackson, Spencer Bragan and Dennis Albert.

Special thanks to all who took part!

DJ Sought...

The Student Senate is exploring the possibility of holding a dance/Karaoke party on December 1. They are looking for a DJ that would be available that night. Anyone is interested, or knows of someone who might be interested, should contact Student Senate advisor Dennis Albert at 768-2757 or dalbert@nmcc.edu.

SWOT Sessions to Begin

All employees have been scheduled to take part in a SWOT session over the next few weeks. Employees are urged to take part in this important process. Everyone should have received a schedule in the mail. If you can't make the date for which you are scheduled, contact Jason at ext. 2808 to be moved to another date.

Faculty & Staff News...

Colleen Harmon, an instructor in the arts and sciences department, has been nominated for WOMAN OF THE YEAR - 2006 by the Governing Board of Editors of the American Biographical Institute. According to her letter of notification, the nomination was "due to your overall accomplishments and contributions to society."

The American Biographical Institute receives hundreds of recommendations for possible inclusion in their Who's Who publications. Their board reviews these nominations and, in some instances, selects candidates for their top honors, including Woman of the Year. The board looks for outstanding individuals representing various professions and cultures worldwide. In 2005, approximately 250 women from around the world were selected for this particular honor.

Congratulations, Colleen!
