

### Thank You...

The Blood Drive held on campus earlier this month was one of our most successful ever, according to coordinator Tom Richard. More than 120 people went through the registration process, and a total of 88 units were collected (some people had to leave due to long waits and some were not able to give). Special thanks to all who participated, either by giving blood or by serving as a volunteer!!

## Senior Make Over Day 2007

The planning committee is hard at work on Senior Make Over Day, which will take place on March 1, 2007. In this popular event, students will have the opportunity to get haircuts/styles, makeup advice and feedback on resumes, as well as practice an interview and take home an outfit or two that will help build their professional wardrobe. Employee donations of business attire and accessories will be most appreciated. Donations can be dropped off in the counseling office. Mark March 1 on your calendars, and look for more updates and other ways you can help out with this popular event.

## Movie Night

Students are invited to come to the Edmunds Conference Center every Wednesday night at 9:00 pm to watch a newly released movie. The clinic is for employees and their dependents who are on the Maine State Anthem Blue Cross/Blue Shield insurance plan. Anyone interested in receiving a flu shot must call 760-1194 to pre-register. Please bring your Anthem card with you to the clinic...those without their card will be deferred. This clinic is managed by Maine Public Health Nursing. Questions can be directed to the NMCC Health Center at 768-2803.

**NOTE: Students and employees are reminded NOT to tape flyers and posters to the walls! This damages the paint when they are removed. Information items should be put on bulletin boards.**

## Correction...

The Ham Radio course mentioned in last week's newsletter will run on Tuesday evenings, not Thursdays. The class begins November 7, and you can call 425-6611 to register or for more information. Sorry for any confusion!
