## NMCC Releases Fall 2007 Dean's List

*Aroostook County* - NMCC Vice President and Academic Dean Alan Punches has announced the Dean's List for the College's 2007 fall semester. One hundred seventy-eight full-time students achieved a 3.20 average or better; thirty-one of these students were named to high honors with a grade point average of 3.85 or better. Fifteen students had the distinction of earning a perfect 4.0 grade point average.

"We are proud of the accomplishments of these students," said Punches. "In many cases, they are working, meeting family obligations, and engaged in community activities--but still they distinguish themselves in their studies. We commend them."

Northern Maine Community College's main campus is located in Presque Isle, with off-campus centers in Houlton and the St. John Valley. The College offers 25 associate degree and certificate level programs, preparing students to either enter the workforce immediately upon graduation or to transfer to a four year college or university to complete a baccalaureate program. It is one of seven colleges in the Maine Community College System.

See attached list for the name(s) of student(s) in your area.
