

Students and Employees Sought to Join the 'Freezin' Falcons' & Support a Worthy Cause

Want to go a little crazy and jump into the Atlantic Ocean in February? Don't worry...it's "feels balmy" according to Lori Keith, from the bookstore, whose taken the dip three times already. Or if you don't want to actually get wet, how about traveling along to be a 'toweler' and watch out for the dippers both during and after the swim.

An NMCC team will be traveling to Pleasant Point in Downeast Maine on February 8 to join approximately 100 dippers from colleges and universities in both Maine and New Brunswick to raise money for Maine's Ronald McDonald House charity. The annual event, sponsored by the Washington County Community College student senate, has raised more than \$100,000 in the past seven years.

For those who may not be up to (or crazy enough) for the challenge, you can still help support the team and the Ronald McDonald House by making a donation. Please make a pledge directly to one of the team members, or you may drop it off in the NMCC student affairs office on the first floor of the Christie Building.
