

Reception to Celebrate Successful Ending of Campaign

All NMCC employees and students are invited to the reception which will celebrate the successful end to the College's first major gifts campaign. The event will be held on Friday, February 29, from 4:00 to 7:00 p.m.

At 5:30 p.m., we will be unveiling the Campaign donor wall. This is a very unique piece of art work which was created by jointly by residential construction instructor Guy Jackson, with the help of his student Dave Riopelle, and precision metals manufacturing instructor Dean Duplessis and his students Justin McBreairty and Robert Underwood.

The campaign, which was publicly unveiled on February 28 of last year, has already surpassed its \$2 million goal. *Please stop by, enjoy some refreshments, and help us celebrate!*

Ideas/Activities Sought...

The college relations office is looking ahead to April and starting to put together a calendar of activities for Community College Month. This is a great opportunity not only to promote activities which are normally scheduled, as well as to add special activities to which we can invite the community. We are looking for ideas from faculty and students. If your class or student organization is doing something special... or would like to do something...in April, please stop by the college relations office, just off of the Christie lobby and speak with Jason or Karen.
