

Belated Welcome...

We welcome Dean Grivois to campus as the health careers coordinator for the Aroostook County region for Acadia Health Education Coalition (AHEC), which is housed in Andrews Hall on the NMCC campus. Many of you may have already had the opportunity to meet Dean, who began his duties earlier this year.

Dean is a 2002 graduate of Husson College in business administration and most recently held the position of project director for the Power of Prevention Healthy Maine Partnerships. He lives in Van Buren with his wife, Claudia.

Dean's focus for the AHEC Aroostook County office will be to promote and encourage Maine students to pursue a career as a health professional. He will be providing middle and high school students, as well as career seekers, with presentations of www.MaineHealthCareers.com, an interactive web based health care exploration program of the Maine AHEC Network. Dean will also be expanding clinical training experiences for students in health professions programs and participating in continuing medical education program development.

Dean can be reached by phone at 760-1181 or by e-mail at dGrivois@MeAHEC.org.

Resident Assistants Needed

Selection for the 2008-2009 residential life staff will be taking place over the next several weeks. Any full time students interested in applying for an RA position should pick up an application packet in the residential life office in Andrews Hall or from Nikki in the IT office in the Christie Building.

Applications need to be completed and returned to the residential life office by April 3. Both commuting and on-campus students are encouraged to apply for this important and responsible position.

Questions regarding the position or the selection process should contact a current member of the residential life staff.

Move & Improve

This 12-week program is designed to encourage participants to increase the amount of physical activity that is engaged in on a daily/weekly basis. The program is free, and participants will have access to an online activity chart to track activity, as well as have the opportunity to sign up for the weekly newsletters with tips, quotes and helpful articles. To sign up or get more information, go to www.moveandimprove.org. When you sign up, make sure you select NMCC as your registration site. Registration ends March 28.
