Instant Alert Training Sessions to be Held

All students and employees are invited to an open Question & Answer and training session on the College's emergency notification system, Instant Alert. The goal of the session is to answer any questions that people have and to try to address any concerns with the use of the system, along with providing a hands-on, assisted session on the use of the web-based contact manager.

To better accommodate people's schedules, there are two sessions from which to choose:

Wednesday, March 26

10:30 - 11:00 a.m. • Q & A, Edmunds Conference Center
 11:00 - 11:30 a.m. • Hands-on training, MRT 107

OR

Thursday, March 27

2:30 - 3:00 p.m. • Q & A, Edmunds Conference Center
 3:00 - 3:30 p.m. • Hands-on training, CHR 204

If you cannot attend either session and have questions or concerns, please stop by the IT office, located off the Christie lobby, during regular business hours.

April Calendar

The college relations office is finalizing a calendar of activities for Community College Month in April. This is a great opportunity to promote activities which are normally scheduled, as well as to add special activities to which we can invite the community. If you have something that you would like added to the April calendar, please stop by the college relations office, just off of the Christie lobby and speak with Jason or Karen, e-mail kgonya@nmcc.edu, or call 768-2809.

Reading Series Scheduled; Student Work Sought

One of the many exciting events taking place in April will be a reading series taking place from 12:00-1:00 p.m. in the library on three consecutive Thursdays: April 10, 17 and 24. In addition to the published author who will be featured at each event, students are also being given the opportunity to read some of their own original work.

According to instructor Jan Grieco, coordinator of the event, students are invited to read their own work, whether it be prose, fiction, non-fiction essay, or poetry. In addition to being their own work, the piece must be no longer than three minutes. Students can simply show up at the library on the day they want to read.

Students with questions about work that they would like to read should contact Jan Grieco at jgrieco@nmcc.edu or 768-2765.

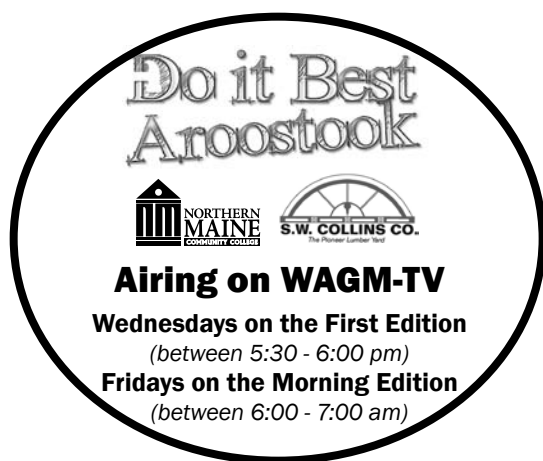

All students and employees are invited to attend these sessions. Look for more details in the April monthly newsletter, coming out soon.

Resident Assistants Needed

Selection for the 2008-2009 residential life staff will be taking place over the next several weeks. Any full time students interested in applying for an RA position should pick up an application packet in the residential life office in Andrews Hall or from Nikki in the IT office in the Christie Building.

Applications need to be completed and returned to the residential life office by April 3. Both commuting and on-campus students are encouraged to apply for this important and responsible position.

Questions regarding the position or the selection process should contact a current member of the residential life staff.
