

Volunteers Needed for NMCC Float

We are very fortunate that the NMCC Student Senate, under the guidance of Dennis Albert and working cooperatively with Colleen Harmon, have again agreed to lead efforts for a College entry in the upcoming Holiday Lights Parade Saturday, December 2, in Presque Isle. We now need your help. The theme of our entry this year will be the NMCC snow hill. We are specifically looking for children (and grandchildren) of employees and students to participate along with employees and students.

If you are interested in joining us on the entry or to march alongside it, your participation would be greatly appreciated. Colleen and crew would certainly appreciate help with the book distribution from adults, and we would love to have the children on the float. If you and your children (or grandchildren) would like to participate, we ask that you bring along their snow sled as the kids on the float will appear to be snow sledding. Anyone interested in helping out should contact the development office, and they will follow up with you later in the week.

Please consider joining us to show the community our NMCC spirit!
