Volunteers Sought...

NMCC will once again have a float in the annual Presque Isle Holiday Light Parade, and we need your help! Students and employees are needed to help decorate the float throughout the first week of December, as well as to help at the parade itself. This year's parade is scheduled for Saturday, December 6. We need people to walk along beside the float to hand out children's books, to ride in the back of the NMCC ambulance and re-stock walkers' baskets of books, and to walk beside or ride on the float and watch the children riding on it. We also need kids to ride on the float. Children and adults should be sure to dress for the weather! The parade starts at 7:00 p.m., with the line up getting underway at 5:30 p.m. If you want to help, please stop by the development office, located just off the Christie lobby.

"Stars" Sought

Star City Star Search is planned for Saturday, January 17, at 7:00 p.m. at the Presque Isle Middle School Auditorium. Individuals of all ages and talents, who were born in the Star City or currently reside in Presque Isle, are eligible to sign up to perform and compete for the title. The winner will be the "star" for the city throughout the 150th anniversary activities in 2009. The event is being coordinated by the NMCC Foundation. Want to take part?
