

Students Coordinate Food Drive

Students in the Early College for ME program and in the NMCC Early Childhood Education Club are holding a competitive food drive on campus this Thursday and Friday, December 11 & 12. They will have tables set up in the Christie lobby from 10:00 a.m. to 1:00 p.m.

There will be five different tables...one for each of the four academic departments as well as one for staff from the various offices. The challenge: which group can collect the largest number of non-perishable food items. These items will be donated to Presque Isle-based Martha and Mary's Kitchen and Homeless Services of Aroostook.

Students, employees, alums, and community members are invited to take part, bringing in items and placing them on the table of whichever group they wish to support in this competition. Come join the fun and support this worthy cause!

Children's Holiday Party

NMCC students and employees are invited to bring their children, ages 12 and under, to the annual NMCC Children's Holiday Party sponsored by the Student Senate. This year's party will be on Friday, December 12, from 5:30-8:00 p.m. in the Edmunds Conference Center.

If you would like to attend, **please sign your child up in the IT Office by Tuesday, December 9.** Santa will have a present for everyone, so it is critical that they know ahead of time who will be attending.

Editor's Note: This is the last newsletter of the semester. We wish all of our students and employees a safe and happy holiday season. We hope to see you all safely back at the College next semester, which begins January 12!

The next edition of the weekly bulletin will be published on January 12, 2008.

Monday, December 8:

PrISM, 11 am - 12 pm, MRT 211
Admissions Testing, 1 - 4 pm, MRT 105

Holiday Light Parade

Special thanks to all those who helped with the NMCC float. Whether you helped decorate, walked in the parade, handed out books, or brought kids to ride on the float, we couldn't have done it without you! Stop by the Christie lobby to see photos from the parade!

Are Classes Cancelled?

Students should note that, as a rule, the College does NOT close due to inclement weather. Realizing that many students and employees travel some distance to get to campus, everyone is urged to exercise good judgement in deciding whether or not they, personally, can make the drive safely.

In case of extreme weather conditions, classes may be cancelled or the College closed early. Any decision to cancel daytime classes will be made by 6:00 a.m., and the decision not to hold evening classes will be made by 5:00 p.m.

Announcements will be listed on the following:

WAGM-TV (Ch. 8 or 4)	WBPW - 96.9 FM
WCXX - 102.3 FM	WCXU - 97.7 FM
WQHR - 96.1 FM	WCVB - 98.1 FM
WOZI - 101.9 FM	W276AY - 103.1 FM

In addition, any College wide closing will be sent to students and employees using the emergency alert system. Please ensure that your information is accurate. Announcements will also be posted on the College's website and on the campus portal. Please check these resources rather than calling the College.

Remember to allow for extra driving time during your commute when roads are poor. **Drive safely this winter!**

Happy Holidays!

Employee Holiday Party Reminder...

Just a reminder that this year's Holiday Party for employees will be held on Tuesday, December 16, from 11:30 a.m. to 1:30 p.m. in the Edmunds Conference Center. If you have not responded to the Development Office, please do so as soon as possible.

"Stars" Sought

Star City Star Search is planned for Saturday, January 17, at 7:00 p.m. at the Presque Isle Middle School Auditorium. Individuals of all ages and talents, who were born in the Star City or currently reside in Presque Isle, are eligible to sign up to perform and compete for the title. The winner will be the "star" for the city throughout the 150th anniversary activities in 2009. The event is being coordinated by the NMCC Foundation. Want to take part? Download an application from the College's website and return it to the development office.

Put Another Notch in Your Education, Do an Internship...

Why do an internship? The benefits you will gain are practical experience that complements your academic studies, an opportunity to make business contacts and a chance to work in a professional environment. This is a great way to build your resume and launch your career while gaining a new perspective on your talents.

Internships can be used as a general elective for most of our college programs. Why not do an Internship? Gain up to 3 credits toward your program of study.

For more information please contact Pam Crawford, internship instructor, at pcrawford@nmcc.edu or 768-2739.
