Kudos to the dining services staff for the outstanding job they did during the Inaugural Viewing Party on January 20. They served lunch to more than 200 campus and community members that came to watch President Obama being sworn in and to enjoy a great buffet luncheon featuring favorites foods from several past presidents. The specialty of the day was the Obama pasta bar, where individuals could get pasta stir fried with their favorite vegetables. Special thanks to everyone for their patience, since greater than anticipated numbers made for a long line at times. Look for more details on the gathering in the monthly newsletter.
