- Aroostook Mental Health Center's Sexual Assault Services currently has a display in the Christie lobby as part of their efforts to promote awareness of this issue. The display includes many interesting facts, as well as pamphlets about AMHC Assault Services, stalking, male rape, and internet safety for teens. AMHC is looking for help with items they use in kits for local hospitals to be given to victims of sexual violence. Items being collected include: travel size shampoo, conditioner, body wash, deodorant, and toothpaste; tooth brushes; track pants, sweat shirts, and tank tops, sizes L-XXL; black or navy tote bags; underwear; socks; and comb/brush sets. Please consider picking up some items to support this cause.
- Women, Work and Community is offering a 5-week career exploration series on Wednesdays from 5:30-8:30 p.m. on May 13 through June 10 in Andrews Hall. The series is free, but pre-registration is required. Call 764-0050 for more information or to register.

## Thank You...

*I would like to thank everyone from the campus community who generously donated to my students' project. Students learned a valuable lesson about hunger, giving back, and the generosity of those who study and work on this campus.*

*-Dave Raymond,  
NMCC Humanities Instructor*

The 30-Hour Famine effort undertaken by Dave Raymond and his students raised over \$1,500 for World Vision to help fight hunger in the U.S. and around the world! Look for more details in the May monthly newsletter.
