NMCC Releases Spring 2009 Dean's List

Aroostook County - NMCC Vice President and Academic Dean Alan Punches has announced the Dean's List for the College's 2009 spring semester. Two hundred fourteen full-time students achieved a 3.20 average or better; thirty-six of these students were named to high honors with a grade point average of 3.85 or better. Twenty students had the distinction of earning a perfect 4.0 grade point average.

"These students have worked so hard to distinguish themselves and I am delighted to honor their accomplishments," said Punches. "Going to college is not without its challenges, and staying in college isn't easy. Succeeding at college is more difficult still, and I hope the friends and family of the students we honor here join me in celebrating the commitment and hard work of these fine individuals."

Northern Maine Community College's main campus is located in Presque Isle, with off-campus centers in Houlton and the St. John Valley. The College offers 25 associate degree and certificate level programs, preparing students to either enter the workforce immediately upon graduation or to transfer to a four year college or university to complete a baccalaureate program. It is one of seven colleges in the Maine Community College System.
